Albury Wodonga is one of the fastest
growing Inland Regions in Australia. Once
you visit you will understand what draws,
young families, professionals and retirees
to this beautiful area.

Our region is not just filled with magical
gardens, nurseries, and world renowned
Botanical gardens. We have exceptional
home grown food and wine. National Parks,
mountains, bird watching, bushwalking, rail
trails, bike paths, wineries and breweries
boasting award winning ciders and craft
beers and wines!

Make this a memorable trip

Garden Tours

Riverina Iris Farm

Annette TenBroeke grows many iris species with over 1500 varieties including a collection of Daylilies. Located in Lake Albert in Wagga Wagga

Shiralee Fish's Garden in Yackandandah a hidden gem with an abundance of rare plants and her amazing Pacific Coast Seedlings

Albury Botanic Gardens – 10 acres of beautiful gardens including iris plantings

Wagga Wagga Victory Memorial Gardens

Immerse yourself in history and nature's beauty. Something for everyone

Beechworth Chinese Gardens

Birchwood near Benalla In spring, tulips, daffodils, watsonias, iris, cliveas, salvias, and peonies provide a colourful display. Flowering blossom trees and deciduous trees spring into bud providing colourful backgrounds. Peonies and bearded iris advance into spectacular displays in late October.

Sunnymeade Garden Kithbrook – be inspired by an award winning garden design that has recently featured on Better Homes and Gardens

Cactus Country – No visit to the region is complete without visiting the largest collection of cactus and succulents.

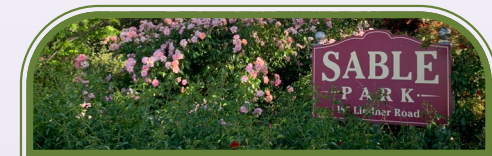

Handford's Open Garden – what started as a paddock has been lovingly created into a gardeners paradise

Riversdale Irises

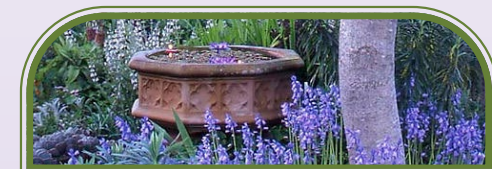

Owned and operated by Tim and Maria Rosa Taylor - Growers, sellers, importers and hybridisers of modern bearded iris, featuring newest international varieties. Both are horticulturally trained and accredited.

See first hand how their micro farming techniques allow them to fit what should be on 4-5 acres on 1 acre. Be the first to see seedlings destined for registration and new introductions by Tim Taylor

Sable Park

Garden of Les and Rosemary Bolitho in Wangaratta with over 700 roses and a beautiful Iris display in this extensive 5 acre garden

Out of Town Nursery & Humming Garden

This 4 acre garden comprises of many rooms, each with its own character and style. A garden for all seasons
